### Our vision

As our slogan "Education Partners" indicates, we do not just sell books (we are not just another book-store).

What our mission implies is offering our customers the best available choices and then support them by providing specialized training, access code, supportive components for teachers...etc. and the helpful components that will produce successful Education Experiments.

### Our Activities

- Training workshops for school teachers on the teaching methods related to MBC curricula.
- Educational Exhibitions
- Workshops introducing digital libraries and their usage in scientific research for public and private universities
- Book Fairs
